

Socorro Soil & Water Conservation District
FY 2006 Annual Work Plan

DISTRICT PRIORITIES:

- Lead SWCDs along Lower Rio Grande in Salt cedar management program funded by the NM State Legislature.
- Survey land for Salt cedar management prior to treatment; set up monitoring areas.
- Seek funds to conduct revegetation work on land that has been treated for Salt cedar infestation
- Improve irrigation system efficiency on farmland within Socorro SWCD utilizing Cost Share program.
- Continue management/eradication program for noxious weeds on private land.
- Continue to administer and coordinate Noxious Weed program.
- Continue to educate public with emphasis on schools about the importance of soil and water conservation.
- Develop federally authorized Conservation Program.
- Assist local entities with Conservation Needs.
- Promote proper drainage and treatment of high water table and related problems.
- Improve management on irrigated pastures in District.
- Administer Loan Program.
- Reduce erosion and increase productivity of rangeland within the Socorro SWCD.
- Improve management on irrigated cropland in District.
- Promote Soil and Water Conservation District publicly with media.
- Pursue lead role in water rights and declaration processes.
- Actively pursue grants to accomplish conservation programs.

Socorro Soil & Water Conservation District
FY 2006 Annual Work Plan

PRIORITY: Lead SWCDs along Rio Grande in Salt cedar eradication program funded by the NM State Legislature.

Goal- Continue treatment/removal of Salt cedar with funding from the New Mexico State Legislature.

Action:

1. Reach agreement with SWCDs along the Rio Grande on breakdown of money per stretch of the Rio Grande.
2. Continue to work on agreements with NWRs to implement treatment and revegetation.
3. Treat Salt cedar.
4. Continue monitoring protocol. Recruit volunteer organizations to help with monitoring where possible.
5. Set up new monitoring sites.
6. Begin developing restoration plans with individual landowners.
7. Seek more funding for continued management and for revegetation.

PRIORITY: Improve Irrigation System Efficiency on farmland within the Socorro SWCD utilizing Cost Share program.

Goal- Save 1500 acre-feet of irrigation water in District.

Action:

1. Administer Cost Share program.
2. Advertise Cost Share program in local newspapers.
3. Develop Conservation Plans with landowners, especially those applying for Cost Share assistance.
4. Develop and manage soil testing program for private landowners. Work with County Extension Agent on this program.
5. Work with MRGCD to send letter to each irrigator regarding their efficiency. Document reasons why efficiency is poor. If efficiency can be improved, write conservation plan with landowners and discuss programs that would help them with funding to improve the efficiency.
6. Continue to develop criteria for Conservation Stewardship Cost Share Program.

PRIORITY: Continue management/eradication program for noxious weeds on private land.

Goal- Educate the public on noxious weeds. Eradicate small populations and control larger infestations.

Action:

Socorro Soil & Water Conservation District
FY 2006 Annual Work Plan

1. Continue control/eradication program with local landowners.
2. Expand noxious weed program into Catron County and investigate disturbed sites as requested by the BLM. Give data to other SWCDs so that they can develop and administer control/eradication program.
3. Educate public with seminars, newspaper articles, and brochures.
4. Pursue funding sources for herbicide and a computerized truck for treatment of noxious weeds.
5. Continue writing management plans with local entities.
6. Coordinate noxious weed treatments with all government entities on their land.
7. Request FRIF funds-for Spike (Tebuthiron pellets).

PRIORITY: Continue to Educate Public with Emphasis on Schools about the Importance of Soil and Water Conservation.

Goal- Reach at least 2000 people first hand demonstrating benefits of soil and water conservation.

Action:

1. Draft plan for donated property at Bravo Farms.
2. Build conservation education center at Bravo Farms on donated land.
3. Assist with Food, Land & People education program development.
4. Advertise Website: www.socorrosxcd.com
5. Continue to publish quarterly newsletter with soil and water conservation issues and topics.
6. Participate in talks at each of the grade schools in the district.
7. Sponsor youth to summer youth conservation camp.
8. Provide Soil Stewardship materials to grade schools for Soil Stewardship Week.
9. Set up and man booth at Socorro County Fair.
10. Participate in Sevilleta/La Joya open house.
11. Participate in Bosque Del Apache Conservation Day.
12. Continue to work with schools to enhance Water Festival for the 4th grade in Socorro County.
13. Begin planning Ag Day with County Extension Agent
14. Attend education training.
15. Continue to work with School Administration to develop education program in schools.

PRIORITY: Develop federally authorized Conservation Program

Goal- Update criteria for Socorro County Irrigated Valley, Lower Rio Grande Geographic Priority Area, and the Yellow Dog Canyon Geographic Priority Area.

Socorro Soil & Water Conservation District
FY 2006 Annual Work Plan

Action:

1. Coordinate and hold Local WORK Group Meetings as needed.

PRIORITY: Assist Local Entities with Conservation Needs

Goal- Assist County, City, and Schools with at least one Conservation Related Project each.

Action:

1. Contact City and other entities as needed and offer applicable technical and planning assistance.
2. Work with Jornada RC&D on such projects.
3. Assist in development of Socorro County Fire Plan.
4. Assist Save Our Bosque Task Force with education and public benefit programs.
3. Follow up as needed.

PRIORITY: Promote Proper Drainage and Treatment of High Water Table and Related Problems

Goal- Attain minimum of 4-foot water table depth on all irrigated lands in district.

Action:

1. Meet with MRGCD at least once during year to express district concerns over problems.
2. Publicize detrimental effects caused by high water tables including salinity problems.
3. Special Emphasis Areas of concern:
 - a. San Juan drain and diversion from Rt. 60 to the river.
 - b. High water tables North of Bosque Del Apache.

PRIORITY: Improve Management on Irrigated Pastures in District.

Goal- Encourage landowners manage irrigated pasture.

Action:

1. Encourage landowners to level fields and re-establish pasture to be more efficient and productive.
2. Publicize benefits of intensive pasture rotation and management with local media.

Socorro Soil & Water Conservation District
FY 2006 Annual Work Plan

PRIORITY: Administer Loan Program

Goal- Enhance District's loan program.

Action:

1. Continue to work with Interstate Stream Commission to develop acceptable standards for loan program.

PRIORITY: Reduce erosion and increase productivity of rangeland within the Socorro SWCD.

Goal- Treat 1000 acres of brush

Action:

1. Manage Cost Share Brush Management Program.
2. Publicize benefits of controlling woody species on rangeland.
3. Monitor range improvement on previously treated acres.

Approved:

Chairman

John J. Carangelo

Socorro SWCD									
Annual Work Plan									
FY 2006									
	Task								Completion Date
July									
	1	Finalize Budget for new fiscal year-submit to DFA, NMDA, & SWCC							
	2	Complete 4th quarter and end of year reports							
	3	Complete annual report and distribute							
	4	Place order for materials for County Fair							
	5	Write RFP and contract for Salt cedar control							
	6	Contact landowners on treatment plan for Salt cedar							
	7	Send out quarterly newsletter							
	8	Attend Socorro County Fire Plan meeting							
August									
	1	Contact schools regarding conservation education							
	2	Provide FLP training to Socorro Public School Teachers if requested							
	3	Meet with School Administration about Water Festival and Ag Day							
	4	Host booth at County Fair							
	5	Begin planning meetings on Ag Day with County Extension Agent							
	6	Attend public Socorro County Fire Plan meetings							
	7	Determine site for Group shelter on donated land-contract out							
September									
	1	Set up and man booth at Socorro County Fair							
	2	Aerial treatment of salt cedar							
	3	Mechanical control of salt cedar							
	4	Continue monitoring of salt cedar project							
	5	Ag Day planning							

April										
	1	Complete third quarter report								
	2	Budget subcommittee meeting to develop preliminary budget								
	3	Complete award nominations for Region/NMACD Summer meeting								
	4	Request loan money from ISC								
	5	Submit paperwork for summer camp scholarship winners								
	6	Ag Day								
	7	Send out quarterly newsletter								
	8	Water Festival								
	9	Attend Socorro County Fire Plan meeting								
May										
	1	Deliver soil stewardship materials to schools								
	2	Draft annual work plan for FY 2007								
	3	Submit draft budget to DFA, NMDA & SWCC								
	4	Draft annual report								
	5	Attend Career Day at Sevilleta NWR								
	6	Attend Socorro County Fire Plan meeting								
June										
	1	Finalize annual report								
	2	Approve annual work plan and business plan								
	3	Pass resolutions for NMACD Summer Meeting/Region III meeting								
	4	Evaluate annual work plan								
	5	Publish and distribute annual report								
	6	Attend NMACD summer Meeting								
	7	Make ISC loan payments								
	8	Attend Socorro County Fire Plan meeting
